

## About **MYPROJECT ROADMAP™**

MYPROJECT ROADMAP™ is a suite of professional packaged template solutions that project management professionals use to implement and integrate industry best practice throughout the complete project lifecycle. MYPROJECT ROADMAP™ was created by certified project managers.

MYPROJECT ROADMAP™ is a premier project management product for planning, executing, controlling, and closing out your project. MYPROJECT ROADMAP™ is a comprehensive business solution for your project which integrates the PMBOK (Project Management Body of Knowledge Guide®, Third Edition), the industry best practice in the field of Project Management, and Knowledge Management all into one powerful integrated solution.

MYPROJECT ROADMAP™ provides a sound foundation in building, supporting, or enhancing your project management efforts. Our template solutions represent project deliverables produced across your project lifecycle in an effort to adhere to best practice standards that ultimately enables you to meet and exceed your customer's expectation.
